We have committee members dedicated to championing particular areas and topics, including;

- Corporate Lunch

- Membership
- Corporate liaison and private sector
- NICS and Public Sector
- Professional Council
- Social Media
- Project Management Awards
- Republic of Ireland

We organise 8-10 events per annum and are seeing a return to face to face events alongside continuing a number online.

We welcome new committee members and would encourage you to submit your statement. There are also opportunities to contribute to tasks and events, so please get in touch with us if this is of interest.
