# APM Branch - 2022 to the future

The APM Midlands branch has a large geography and so a wealth of P3M colleagues and organisations.

Branch committee efforts focus in 5 areas and we anticipate that it will continue to do so in the coming year:

- Providing useful and engaging CPD events for individual members, both face to face and online,
  - Helping local corporate members get the best from their membership locally through our Midlands Corporate Advisory Group
  - Supporting HEIs and students in engaging with the project profession locally,
  - Engagement and communication with the P3M community in the Midlands, and
  - Celebrating the next generation of project professionals ninth Midlands with our annual branch student and emerging professional awards.
- 
- John Williams, APM Midlands Branch Chair
