APM SIGs – Get involved

The APM SIGs have an important role to play within APM in creating and disseminating new knowledge.

- Input to creating and disseminating new knowledge
- Create knowledge sharing opportunities on current interests of the profession – CPD!
- Further the understanding and practice of tools and techniques
- Inspire future project managers
- Give back to the project management profession
- Learn new skills
- Many more reasons!

APM Contracts and Procurement SIG – 2022 to the future

- The APM Contract and Procurement SIG provides a forum for Project Managers (PM) to continually develop best practice for the placement and delivery of contracted works.
- The SIG team runs events, including workshops, webinars, podcasts, and videos, covering the increasingly complex contracting environment, to inform and support PMs.
- Recent presentations by the SIG have included a series of three webinars introducing [Basic contract law for project managers and project professionals](#).
- The SIG aims to continually inform PMs of current and forward-looking trends via its activities, including events, case studies and white papers.
